"THEY'RE LOVELY," Mrs. Forrest G. Murdock says of the orchid corsage presented her by the Associated Students of El Camino College. President and Mrs. Murdock were honored Saturday night at a testimonial dinner held in the Campus Center.

**Testimonial Dinner Honors Retiring College Prexy**

Personal friends gathered with civic, educational and other colleagues of President and Mrs. Forrest G. Murdock Saturday night to fill the Campus Center in tribute to accomplishments of the founding president of El Camino College.

Dignitaries representing the state and the communities served by the college joined employees and students of El Camino at the testimonial dinner which honored the retiring college official and his wife. President Murdock, who will leave the campus July 31, will have completed 42 years in the field of education on his departure.

Guests of the evening were greeted personally by the honored couple as they mingled informally in the fountain area of the center prior to the dinner hour.

The college dining room was decorated by large murals prepared by members of the art department. These depicted the college, the church, the Salvation Army, musical groups, the YMCA, educational organizations, and fraternal groups with which President Murdock has been associated in positions of leadership in past years.

faculty club president, served as master of ceremonies for the evening.

Karr introduced members of the college board of trustees and other notables present for the occasion; he also paid tribute to the retiring president in behalf of the employees of the college. The master of ceremonies presented a bouquet of American Beauty roses to Mrs. Murdock on behalf of the college employees.

Carl R. Tate, president of the Associated Students of El Camino College, cited the Murdocks for their intensive personal interest in the students and their governmental activities on campus. In behalf of the 9600 student body, he presented Mrs. Murdock a lei of orchids and gave a scroll commemorating the event to Murdock.
